

Eileen Cai

Director, Economic & Asian Development

Eileen Cai joined the economic development staff to help expand the Chamber's international reach to China and other parts of Asia.

Cai is involved in the recruitment of all sizes and types of business to Charlotte. She has travelled to China on recruitment trips with North Carolina Governor Bev Perdue and Charlotte's Mayor, Anthony Foxx. Several of the higher profile companies that Eileen has assisted with locations in Charlotte include Time Warner Cable, Mitsubishi (MNES), Combi, Greenspring Energy, Jetion Solar, Yu Consulting and Zenta.

She earned a B.S. in Accounting and Business Administration from State University of New York. Her professional experience includes accounting, hospitality management and real estate development. Prior to joining the Chamber Eileen lived in China, Switzerland, New York and Virginia. She is fluent in English and Mandarin Chinese.
