just like that, it hits you. You are responsible for choosing the right location for your company. You look at the stack of information on your desk from so many communities and realize there are many options. You need to find a location that offers all the right ingredients for your company's success. It has to be a place with superior air service, skilled labor, an exceptional but affordable quality of life for your employees, and most importantly — a reasonable cost of doing business. All of a sudden, one community stands out. **Welcome to Charlotte.**
