

## Charlotte Mecklenburg Private & Charter Schools

Private (non-public) schools and charter schools make up a significant part of Mecklenburg County's educational landscape. In fact, nearly 25,000 students are enrolled in 90 non-public and charter schools in the county. This growing system includes elementary, middle, and high schools with various religious affiliations as well as independent institutions.

For additional information on tuition and enrollment openings, please contact individual schools directly. For additional information on Charlotte-Mecklenburg's diverse educational facilities, please call the Chamber at (704) 378-1300. All schools have a Charlotte address unless otherwise indicated.
