Navigating the ins and outs of the chamber can seem overwhelming. No need to fret; we’ve got you covered. But first, think about what you ultimately wish to achieve with your membership. In other words, what’s keeping you awake at night?

If you’re up late pondering how to make the connections you need to push your business forward, we’re here to help provide opportunities for you to network with the business leaders of Charlotte. Bob Burg, a bestselling author and speaker, perhaps said it best with his “Golden Rule of Networking”: “All things being equal, people will do business with and refer business to those people they know, like and trust.”

So, how can your chamber membership help you to be known, liked and trusted? It’s not about dumping your business card in as many hands as possible – it’s about getting to know people. You’ll meet lots of new people. And eventually, you could shake hands with that one person who might change your business forever. Don’t get discouraged along the way. Keep up the momentum.

OUR CHAMBER: A VITAL PART OF THE LOCAL ECONOMY

In the last few years, the Charlotte Chamber has grown significantly, serving 2,500 businesses and representing more than 1,100,000 employees.

Support slow-growth communities by working with the chamber. We work with the state, federal, and local government to advocate on behalf of the business community, to ensure policies that will help businesses grow and thrive.

This is your chamber.
